Please note that all our meals are prepared to order and we are not a fast-food outlet. During peak periods there could be substantial waiting times, so if you are in a hurry please check the guideline waiting time with staff before you place your order. Also please appreciate that advised wait times are a guideline, not a science!

Food Allergies: It is important that if you have any food allergies or intolerances, you must inform bar staff when ordering. Although most of our meals will contain potential allergens, some can be adapted by removing one or two ingredients or components of the meal. However, please note that if you have severe allergies to any food ingredient, our meals are cooked in a mixed preparation area, and cross contamination is possible. You should therefore consider this advice before ordering
