Food allergies & intolerances - As our menu has a number of options that can be made allergen free by removing a dip, sauce, or other component of the meal, we do not preclude choices by applying symbols to our menu. It is very important that if you have any food allergies or intolerances you inform a member staff when ordering, as most of our meals will contain potential allergens. Please note that if you have severe allergies to any food ingredient, our meals are cooked in a mixed preparation area and cross contamination is possible, and you should seriously consider this information before ordering. Please speak to a member of staff if you have concerns.
